Figure S3A

Overall structure of Hsp110 in complex with Hsp70.

Figure S3B

Zoomed image showing region of interface between Hsp110 and Hsp70 with highlighted mutated residues that are predicted to influence this interaction.

**Figure S3** Interaction of Hsp110 with Hsp70. S3(A) Overall structure of Hsp110 in complex with Hsp70. S3(B) Zoomed image showing region of interface between Hsp110 and Hsp70 with highlighted mutated residues that are predicted to influence this interaction.
