

G3 Reviewer Index 2020

Volume 10, January–December 2020

Below is a list of individuals who have reviewed manuscripts for G3: Genes | Genomes | Genetics during the preparation of volume 10 (2020). The aim of G3: Genes | Genomes | Genetics is to communicate high-quality, well-described, useful research, across all areas of genetics and genomics. To succeed, we must recognize what meets our criteria for publication, making sure the presentation is accurate, unambiguous, and easily readable. For this, we depend heavily upon our reviewers, who perform this indispensable service without reward. The quality of the journal strongly reflects the quality of their efforts. We apologize to any reviewer whose name has been inadvertently omitted, and we are sincerely grateful to all.
