5 CORRIGENDUM

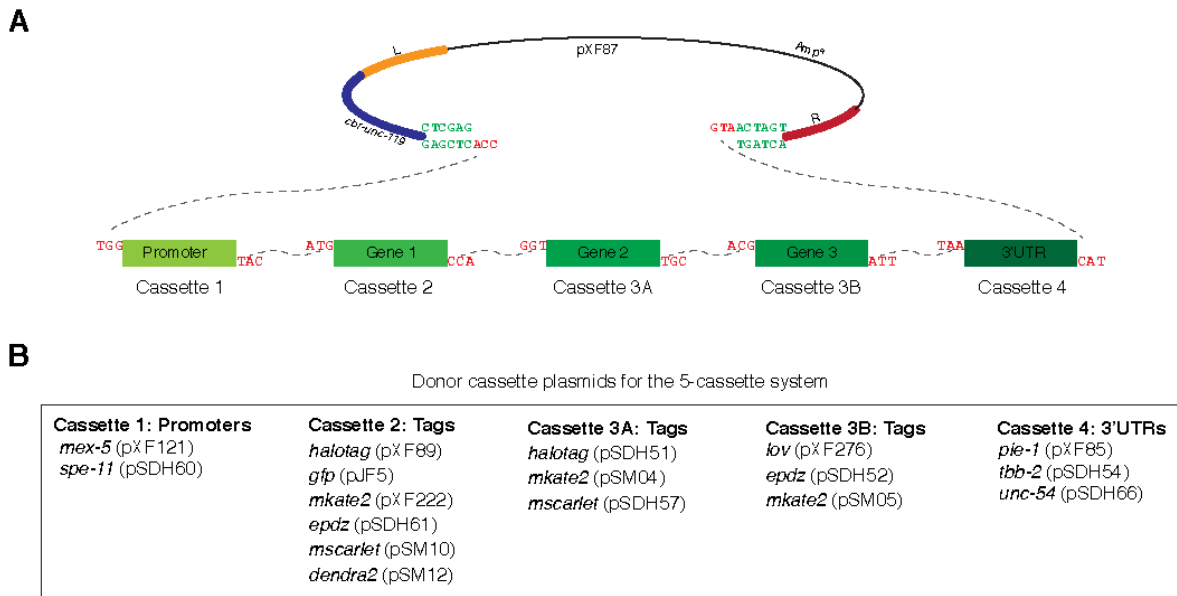

6 In the article by X. Fan, S. De Henau, J. Feinstein, S. I. Miller, B. Han, C. Frøkjær-Jensen, and E. E. Griffin
7 (*G3: Genes/Genomes/Genetics* 10: 635-644) entitled “SapTrap Assembly of *Caenorhabditis elegans*
8 MosSCI Transgene Vectors” on page 643, there was an error in Figure 3 involving the overhang
9 connecting cassettes 3A and 3B. The original overhang read “TCG – AGC”, which has been corrected to
10 “TGC – ACG.” The same error was made in the supplemental figures describing those constructs, which
11 have also been corrected. Please see figshare for Supplemental Material:
